	Initials
The membership I am agreeing to is an auto-renew contract, with a minimum 3 month commitment.	
My membership renews on the 15th of each month. I understand that my membership does not end after 3 months unless I cancel it (according to the terms below)	
If I wish to cancel my membership at any time following the initial 3 month commitment, I must fill out and submit a cancellation form at least 30 days prior the next payment.	
I understand that the penalty for terminating this membership before the 3 month period is \$100.	
I agree to allow Fundy Float Corp. to charge my credit card on a monthly basis for the purpose of my membership fee.	
I agree to inform Fundy Float Corp. of any changes to my credit card or bank information prior to the next pre-authorized payment.	
I understand that while I may have the right to re-allocate floats with my membership package, payments will still be collected as scheduled (above).	
I understand that I have the right to reimbursement if any debit does not comply with the terms of this agreement.	
Fundy Float Corp. is not responsible for the enforcement of any third-part 'partner offers. All partner offers and discounts will be granted at the discretion of the partner business offering them.
